

## Plantation Iced Tea

*Level: Easy*  
*Serves: 6*

*Prep Time: 5 minutes*  
*Cooking Time: -*

- 1 (6 fl. oz.) can pineapple juice (not from concentrate)
- 1 packet Crystal Light® Peach Iced Tea (see Notes below)
- 8 cups cold water
- Ice (optional)
- Lemon slice, mint sprig, or pineapple slice for garnish (optional)

In a plastic or glass pitcher (do not use metal), add the pineapple juice and the packet of Crystal Light® Peach Iced Tea. Next add 8 cups cold water. Stir well and refrigerate to chill or add ice if drinking immediately. Add a lemon slice, mint sprig, or pineapple slice for garnish, if desired.

### Notes:

- I buy the 1.5 oz. container of Crystal Light® Peach Iced Tea. There are 6 packets in the container. 1 packet makes 2 quarts of iced tea.
- I have tried many different flavors and brands of iced tea, but the Crystal Light® Peach Iced Tea makes the best tasting Plantation Iced Tea, in my opinion.
