

## Rainbow JELL-O Cups

Level: Easy

Serves: 12 to 14

Prep Time: 15 minutes

Chill Time: 4 hours

- 1 (1 oz.) box (or 4 envelopes) Knox unflavored gelatin
- 2 (14 oz.) cans sweetened condensed milk
- 1 (3 oz.) box JELL-O of each flavor: grape, berry blue, lime, island pineapple or lemon, orange, and strawberry or cherry

For white layer:

In a large saucepan, add 4 Tbsp. cold water. Sprinkle 4 envelopes of unflavored gelatin over the water. Let it sit for 5 minutes for gelatin to bloom. Add 2 cups boiling water and stir until the gelatin is dissolved. Add the 2 cans of sweetened condensed milk and stir over low heat for 5 minutes. Do not boil. Remove from heat and let cool.

For JELL-O layers:

Make grape JELL-O according to the instructions on the box. Pour into glass cups by tablespoons, to the amount you desire. Remember how many tablespoons you poured for each glass, so every layer is even. Refrigerate for 20 minutes until JELL-O is firm but not set.

Next, add the same amount of white layer, refrigerate for 20 minutes, and repeat and alternate with the remaining JELL-O and white layers.

Notes:

- If the white layer or JELL-O layers start to set before you're able to pour it into the cups, simply reheat on low heat and let cool before pouring into the cups.
- Top with Cool Whip and sprinkles, if desired.
