

Lumps of Coal

Level: Easy

Serves: about 35

Prep Time: 15 minutes

Dipping Time: 25 minutes

1 (15.25 oz.) package OREO® Cookies

1 (10 oz.) package marshmallows, regular size (not miniature)

1 (24 oz.) package Almond Bark, chocolate flavored

Remove and discard the crème center from the OREO® Cookies. Place the cookies in a large Ziploc® bag. Remove the air and seal the Ziploc® bag. With a rolling pin, smash the cookies until they resemble coarse crumbs. Pour the crumbs into a flat bowl or dish. Set aside.

In a microwave safe disposable bowl, melt the almond bark according to the package instructions. With tongs, dip and roll the marshmallows in the chocolate until all sides are covered. Roll the chocolate covered marshmallows into the crushed OREO® cookies. Place each covered marshmallow on a baking sheet lined with wax paper. Let the chocolate harden and cool before storing in an airtight container.
